

# Save teeth, keep happy patients

## ENDOCARE

Endocare knows how to offer patients treatment that is appropriate, successful and beneficial. Endocare thinks it is vital for dental professionals to be able to promote a healthy lifestyle that will help improve overall oral well being.

Its experience and dedication to sharing knowledge and skills means it is always exciting to work with new professionals and patients. Its skilled experts are committed to providing exceptional endodontic treatment.

### Retain natural teeth for life

Firmly believing it is better for patients to retain their natural teeth for life, rather than go through extraction procedures, Endocare encourages the use of endodontic therapies to achieve excellent results. Patients who are referred to Endocare will be offered excellent, first-rate care in its state-of-the-art facilities, where Endocare will do everything it can to save teeth.

Getting to the root of dental pain

# The night for aesthetic dentistry

## AESTHETIC DENTISTRY AWARDS

The Aesthetic Dentistry Awards is taking place on Friday 18 March 2016 at the Landmark, London. As one of the UK's most prestigious events in aesthetic dentistry, the occasion is designed to recognise dentists and their team for their contribution to aesthetic dentistry.

### Celebration and fun

With a large number of categories (plus the new patient's choice awards), the awards aim to reward aesthetic,

Thank you to our partners:

# Referring implant patients

## TEN DENTAL

Dr Darshak Amin from Dentistree@Horley has been referring implant patients to Ten Dental for approximately seven years. He said: 'the team at Ten Dental is always prompt, professional and provides correspondence every step of the way. Patients continue to be impressed with the service they receive at Ten Dental and feel reassured their own dentist is involved in the treatment.'

### Worldclass standard

He continued, 'Martin Wanendeya and Nik Sisodia at Ten Dental have a vast amount of experience in their speciality fields, specially implants that means that I know my patients will be treated professionally, in a caring environment and to a worldclass standard. It gives me piece of mind that my patients will receive the best care possible.'

Contact the team today to find out more about the implant referral service Ten Dental can offer patients. For more information about Ten Dental and the implant restoration course visit the website.

# Selling your practice?

## DENTAL ELITE

Dr Paul Drugan, who recently commissioned Dental Elite to help sell his practice, said, 'I chose to work with Dental Elite after coming across an advertising flyer and receiving a recommendation from my accountant.'

'The service I received was excellent throughout the process and I found Dental Elite particularly helpful with regards to the CQC application that didn't even exist when I bought the practice.'

### Preparation is key

'I would advise other professionals looking to sell their practice to gather as much of the paperwork as they can before beginning the sale process, as this will help ensure a more speedy and streamlined sale.'

The combined team at Dental Elite has more than 100 years' of experience in practice valuations and finance and is committed to obtaining the best deal for dental professionals, whether they are selling or purchasing a practice.

# Grow practice profits

## MUNROE SUTTON

Gloria Balfour practice manager of Carnaby Street Dental in London said, 'We've been working with Munroe Sutton since June 2013. We first chose to work with them because of the friendly manner of their representative, Debarae. Since then, we've seen a growth in our takings that has been the main benefit of working together. Joining was an easy process - I would recommend Munroe Sutton to other dental practices.'

### Enhance your business

More than 30 years' experience in bringing patients and practices together has given the team at Munroe Sutton the skills necessary to help expand and enhance the business.

By becoming part of its prodigious network dental professionals will be able to source new patients and boost their profits with ease - all while ensuring patients receive the best care dental professionals can give them.
